Re: NOTICE TO CEASE AND DESIST INTERNET DEFAMATION AGAINST MINA MAR AND MIRO ZECEVIC

Dear Mr. Jarrell

Please be advised that our law firm has been retained by Mina Mar Inc and Miro Zecevic to take possible legal action against you for the series of defamatory attacks made by you against them on various web site message boards.

As you may be aware, Mina Mar and Miro Zecevic have already commenced legal proceedings against Investorshub and their principles and at this time they are considering expanding that litigation to include individual posters on web sites and message boards who have engaged in defamatory conduct against them.

We have received information that you have personally posted many willfully false and misleading comments about our clients. Some examples of your defamatory statements include but are not limited to:

1. "It looks like they are still playing childhood games of scaring people into submission."
2. "We already know that the PR's the company puts out are about as trustworthy as a 5 of a kind poker hand."
3. "...There is a bunch of typical pink sheet promises that amount to a whole lot of nothing. Well, other than the hype they need to create liquidity to dilute into."

Your conduct of spreading libelous and defamatory statements and comments about our clients have caused serious and irreparable injury to their business and

their reputation within the investment community. We will not allow this conduct to continue any further or go unpunished.

While you certainly have a right to express your opinions, you do not have the right to make false statements of fact injurious to another's reputation. The comments posted by you go far beyond the mere expression of opinion. They are false statements of facts that have damaged our client's business and reputation.

THEREFORE, we hereby demand that you:

1. Immediately **CEASE AND DESIST** from making defamatory comments against our clients on any and all web sites and message boards
2. Immediately delete or remove from and any other web sites and message boards all defamatory and disparaging remarks made by you against our clients.
3. Issue a notarized letter of apology in writing to our clients for the damages that your actions have brought upon them.

If you refuse to comply with our demands within 10 days of receipt of this letter, Mina Mar and Miro Zecevic will have no choice but to pursue all legal claims against you, including the possibility of filing of a lawsuit. In that lawsuit, they will pursue not only damages caused by your actions, but attorney's fees and court costs. Furthermore, your actions have resulted in damages to our clients in Canada and you could be subject to additional claims in that country for the defamatory conduct that you have committed.

YOU DO NOT HAVE PERMISSION TO PUBLISH THIS LETTER ONLINE OR IN ANY OTHER FORM OF MEDIA.

PLEASE GOVERN YOURSELF ACCORDINGLY

Sincerely,

Daniel M. Berman, Esq.
